WORK TO BUILD THE FUTURE TOGETHER FROM DAY ONE
DISCOVER, MOVE ABOUT AND INCREASE YOUR KNOWLEDGE

WHATEVER YOUR JOB, YOU CAN ACQUIRE COMPETENCIES, IMPROVE YOUR KNOWLEDGE AND PROGRESS BY VARYING YOUR EXPERIENCES.

Move Up enables you to gain more responsibilities within a shorter period of time by providing you with everything you need to help map out your career at Novotel. With the support of your manager, you can be the main driving force behind your career.

Your move!
CHANGE THE WAY YOU PERCEIVE CUSTOMER SERVICE
START YOUR NEW ROLE AND NEW WORKING ENVIRONMENT POSITIVELY WITH WELCOME, YOUR INDUCTION PROGRAMME.

Find out about your working environment
Visit your hotel, meet your colleagues and your mentor... and be a Novotel guest for the night.

Embrace the Novotel spirit
Discover the brand’s culture and your customers’ expectations by working your way through our five training programmes during your first six months of employment with us.

Share with your colleagues and managers
Spend a day shadowing your colleagues in a different department to see what their job entails. Meet with your manager and discuss how you feel about your induction period by participating in an “open table” session and by completing the satisfaction questionnaire provided.

Assess and be assessed
Gradually start to assess your competencies with your manager within the framework of the ITINERAIRES programme.
FEEL GOOD STRAIGHT AWAY
DEVELOP YOUR COMPETENCIES AND PROGRESS

ITINERAIRES

PROGRESS AT YOUR OWN PACE
Improve and consolidate your knowledge, acquire new competencies, progress and evolve with ITINERAIRES.

Become qualified in three stages. You can progress by working your way through three levels of qualification.

Have a clear vision of what is expected from you in each role

Develop and progress
Identify the areas in which you wish to target your professional development in order to plan out your career progression with your manager.

Gain recognition of your competencies within the entire Novotel network

1. Novotel Graduate
   Able to apply the basic of your profession.

2. Novotel Bachelor
   Able to master the competencies needed in your job, to work autonomously and take initiatives.

3. Novotel Master
   Able to pass on your knowledge and occasionally take responsibility for the department when needed.
CREATE YOUR OWN PROFESSIONAL PROJECT
GLOBE-TROTTER PROFESSIONAL DEVELOPMENT PROGRAMME, DESIGNED FOR THOSE WHO WISH TO DEVELOP THEIR CAREER’S: A WIN-WIN PROGRAMME

How it works
Over the course of 3 or 6 months, you will have the opportunity to work and train in different hotels and spend a certain period in another country on the same continent, or in another hotel in your country.

Grow faster... but never alone!
Your involvement is just as important as that of your manager. He/she is here to help and will answer all of your questions. He/she will guide you in your choices at each stage of the programme in order to ensure that you are successful in your professional development.

Are you ready for the adventure to begin?
MOVE ON TO THE NEXT STAGE IN YOUR CAREER
A UNIQUE EXPERIENCE

Every year we acknowledge staff who have performed exceptionally well. They are offered the unique experience of spending a month abroad in the same job role. Staff can gain valuable experience, adopt good practices, improve their foreign language, skills and meet new people. VISA PASS offers a whole host of opportunities to aid both professional and personal development!

... An experience worth sharing
Tell your colleagues back home what it was like living there and all the things you learnt!
See your efforts rewarded.
THE ATTITUDES TO ADOPT

As the first point of contact for customers, you uphold Novotel’s excellence and service quality every day.

In order to fulfil the Novotel guest promise on a daily basis “Novotel is the best way to Relax and Re-Energise”, you need to practice the three attitudes that sum up Novotel’s service spirit.

At Novotel, each team member is a Life Genius, ensuring that our guests enjoy an easy-living stay.

They are driven by a simple motto: “How can I make my guest’ life easier today”

Easy-going professional, business agile, and solution-finding abilities, they use their professionalism to help anyone, anywhere, anytime.
